

**The 3rd Annual U-46 Science Exposition is coming to
Gail Borden Public Library on April 14, 2012**

Moving forward in Science, Technology, Engineering and Math
STEM Exposition

All students in the U-46 and Gail Borden Library districts are invited to participate!

- **Kindergarten through 6th grade students will present 9:00 AM – 12:00 noon**
- **Middle School and High School students will present 1:00 PM – 4:00 PM**

Students are challenged to identify a hypothesis, design an experiment and collect data. Students present their projects to their peers and community in a science fair.

Registration: Pick up a registration form at the Gail Borden Public Library or go to www.gailborden.info to download a registration form. Registration forms are also available at EVERY school in U-46 or you may also download one at www.U-46.org. Registration is due back to the library or your teacher **by Friday, March 9, 2012**. **All students must fill out a registration form to participate.** **No more than 4 students on a TEAM.** **This is a non-competitive fair. All participants are winners.**

Cost to students and families: Free - science fair display boards will be provided at no cost to participating students when they turn in their registration.

Help Available: Volunteers will be available at the library to help students and families identify a topic, research your topic or create your display board, etc. from 6:00 pm to 8:00 pm on the following dates:

Tuesday, January 31, Thursday, February 16, Tuesday, February 28, and Thursday, March 8, 2012
