

# Request to Speak to the Library Board

---

- Citizens are always welcome to speak to the Board. In addition written comments may be left in the suggestion box in the Customer Relations Department or on a form found on the library's homepage ([www.gailborden.info](http://www.gailborden.info)).
- Speakers' comments should be in good taste and remarks about specific individuals are not allowed.
- Business presentations should be handled directly through the appropriate library staff member rather than use of this venue. If you need further assistance, please contact the Executive Director.
- Persons who wish to speak to the Library Board are asked to fill out this form. Generally, the Board will not engage in a dialogue with the speaker.
- Comments will be limited to three minutes.
- Thank you for caring about the quality of services provided by the Gail Borden Public Library District.
