A 360° Virtual Tour

**Welcome to the Virtual Gail Borden Holiday Hunt!** Explore the Main Library, Rakow Branch, South Elgin Branch and Bookmobile by traveling through the virtual tour and finding some of our jolly staff members “hidden” along the way.

**Sound on!** When you find a staff member, a jingle will play, and the staff members will introduce themselves.

**Look around** - Once you hear a staff member, that's your cue to look around to find the secret word hidden somewhere in that photo.

**Find all of the hidden words** - There are 18 staff members and one special character hidden along the way. There are also 14 secret words and 6 bonus words hidden (hint: one bonus word is within a game).

Keep track of the words you find on this game sheet or write them down on your own piece of paper.

**Prizes!** Once you've finished the tour and found all 14 of the secret words, stop by the Main Library Drive-Up Window (during Library hours) with your finished game sheet to receive a candy cane and holiday bookmark. Found all 6 of the Bonus Words, too? You'll also get to pick up a cool light-up whistle!
