Download eBooks using Cloud Library

1. Using a computer, go to yourcloudlibrary.com.
2. Download the **Cloud Library App** for PC or Mac.
3. Follow the instructions to download and install the app on your computer.
4. To complete setup enter your state and library. Then enter your library card number as the username and PIN as the password.
5. Click **Browse** to view different categories or use **Search** to find a specific book.
6. If a title is currently checked out, click **Add to Hold List** and it will notify you when the book is available.
7. If the title is available click **Borrow**. You may check out the book for 28 days.
8. Click the title to read the eBook on your computer. To transfer to an eReader, connect your device then click **Transfer to Device**.
